Hi Susan,

Roberto asked me to send you our suggested edits to your proposed answers. I have made the changes in red below. Thanks for your help.

Thank you,
Christina

I don't want to hold them up, but if we get answers on Monday that should not be a problem.

Susan

Please let us know if you have any questions or if you would like additional information. We will continue to discuss any next steps with Region 9, including the possible enforcement of the UAOs or requiring alternative drinking water. If you would like a briefing, we can arrange to have Region 9 join us for an OCE General.
